

COLLEGE OF
ACUPUNCTURISTS
OF ALBERTA

August 25, 2021

Dear Members:

The College of Acupuncturists of Alberta (CAA) came under the auspices of the *Health Professions Act* (Alberta) on December 30, 2020. Becoming Alberta's 30th regulatory college so recently allows the organization to examine its operations, procedures, and how it governs itself, and to consider leading regulatory practices before habits get established.

As such, the CAA Council has engaged an external consultant, David Kay and Associates, to undertake this review on its behalf. As part of the review, the consultant is seeking your confidential views and suggestions as a regulated member of the College.

Here is the link to the short survey - <https://forms.office.com/r/gvq5AiVG6W>

Please provide your responses by Friday, September 3, 2021. Your responses are confidential to you and the Consultant, and they will not be disclosed, except in aggregate focusing on themes.

Please call me at the telephone number below if you have any questions and thank-you.
