

# Announcement of Resignation: Erin Stroud, Executive Director/Registrar

16 April 2024 | Announcement | Message from Our Chair

Dear Registrants,

I hope this message finds you well. We write to inform you of an important change within the College of Acupuncturists of Alberta. Erin Stroud, our esteemed Executive Director/Registrar, has tendered her resignation, effective 3 May 2024. Erin has been an invaluable asset to our organization since joining the College on 22 February 2022, contributing her expertise, dedication, and passion to furthering our mission and serving our Registrants. During her tenure, she has guided the College and Council in implementing the recommendations from the 2021 Governance and Operations Review Report, the development and implementation of a new Strategic Plan and Business Plan, enhancements to the Member Portal (Alinity) and associated registration/renewal and continuing competency activities, and impressive growth in the number of registrants.

While we are saddened by Erin's departure, we respect her decision and wish her all the best in her future endeavors. We are immensely grateful for her leadership and guidance, and her impact will be felt long after her departure. Erin has graciously offered to assist with the transition of a new Executive Director/Registrar once selected by the Council Selection Committee.

In the interim after Erin's departure and before the new Executive Director/Registrar starts, Danielle Tanios, Director of Communications and Administration, will be interim ED/Registrar effective 4 May 2024. Rest assured, the Council is actively working to ensure a smooth transition and continuity of operations during this period of change. We extend our sincere gratitude to Erin for her years of service and commitment to excellence. Please join us in wishing her every success in her future pursuits. Should you have any questions or concerns regarding this transition, please do not hesitate to reach out to me.

Sincerely,
